

DFI helped to facilitate a seminar and conference on the IMF and World Bank, run by the Bretton Woods Project and the Observatoire Tunisien de l'Economie (OTE), for around 50 government officials, parliamentarians, civil society and the media. DFI spoke on IMF technical assistance, IMF and World Bank transparency, and the role of the IMF and World Bank in social spending and social protection. For details of DFI's interventions, please contact DFI.
