

 HM Government

Supporting Global
Growth

A preliminary report on the responsiveness and adaptability
of the international financial institutions
to the Chair of the London Summit

At its March meeting in London, the G20 asked Gordon Brown, in his capacity as Chair of the G20, to review the flexibility and adaptability of the IFIs to promote global growth. As part of this review, DFID asked DFI to conduct a consultation of LIC Ministers of Finance, and ODI a web-based consultation of other stakeholders from LICs.
