

In the context of the BCEAO/BEAC/BCC Capacity Building Programme under the HIPC CBP, five institutional missions were held in Senegal (30 May – 3 June), in Togo (6-10 June), in Burkina Faso (13-17 June), in Central African Republic (27 July – 1 August) and in Comoros (15-19 August). These missions focus on helping countries to introduce debt management procedures manuals adapting international best practices to national needs. Two other similar missions will be held soon in Chad and Congo.
