

As part of the Debt Management Capacity Building Program managed by CEMLA and financed by CIDA, a joint CEMLA/DRI mission went to Port-au-Prince, Haiti, to hold a first national Financing Strategy workshop. This event enabled participants from the Ministry of Finance, the Central Bank of Haiti and the Ministry of Planning and External Cooperation to draft their own debt strategy document structured around 4 main points: how to mobilize financing for development, how to maintain debt sustainability, conducting a cost/risk analysis and reducing long term dependence on external financing. The document is currently being finalised and will be submitted to the Haitian authorities for approval, in time for their 2013-2014 budget.
