

The UK's PPPs Disaster

Lessons on private finance for the rest of the world

February 2017

A new briefing by the Jubilee Debt Campaign (UK) focuses on the failures of PPPs in the UK. Aimed at an international audience to inform civil society and decision makers across the world, “ [The UK's PPPs Disaster: Lessons on Private Finance for the Rest of the World](#) ” sets the record straight about the true record of PPPs in the UK, by revealing the shortcomings of what is an unpopular financing mechanism.
